Are you considering owning your own business or franchise and not sure where to start? FranchiseConnect provides free franchise consulting services to assist you in making the best decision in buying a franchise or franchise resale. Representing over 400 of today's leading franchises, we are known in the industry for our professional approach. Our primary goal is to help you navigate through the entire process and build a business for you and your family.

We are a full service franchise consulting and development firm with extensive experience in the franchise industry. Our consultation process is a proven method of identifying and researching franchise opportunities that present a true opportunity for success for our clients.

We take a close look at your goals, experience, desired lifestyle and geography to help you find new and resale franchise opportunities that present the best opportunity for long term success and happiness. Live the freedom dream through business ownership which will also **qualify you for legalized citizenship within the United States.**
